business-council.asp](http://www.trade.gov/mac/terms-of-reference-us-turkey-business-council.asp)

The Council is intended to facilitate the exchange of
information and encourage bilateral discussions of business
and economic issues, including promoting bilateral trade
and investment and improving the business climate in each
country. The Council brings together the respective
business communities of the United States and Turkey to
discuss such issues of mutual interest and to communicate
their joint recommendations to the U.S. and Turkish
Governments. The Council consists of the U.S. and Turkish

co-chairs and a Committee comprised of private sector members. The Committee is composed of two Sections of private sector members, a U.S. Section and a Turkish Section, each consisting of approximately ten to twelve members, representing the views and interests of their respective private sector business communities. Each government will appoint the members to its respective Section. The Committee will provide joint recommendations to the two governments that reflect private sector views, needs, and concerns regarding creation of an environment in which the private sectors of both countries can partner, thrive, and enhance bilateral commercial ties that could form the basis for expanded trade and investment between the United States and Turkey.

The Department of Commerce is seeking applicants for membership on the U.S. Section of the Committee to fill four current vacancies and any additional vacancies that may arise during the current member appointment term. Each applicant must be a senior-level executive of a U.S.-owned or controlled company that is incorporated in and has its main headquarters located in the United States and that is currently doing business in Turkey. Each applicant also must be a U.S. citizen, or otherwise legally authorized to

work in the United States, and be able to travel to Turkey and locations in the United States to attend official Council meetings, as well as U.S. Section and Committee meetings. In addition, the applicant may not be a registered foreign agent under the Foreign Agents Registration Act of 1938, as amended.

Evaluation of applications for membership in the U.S. Section by eligible individuals will be based on the following criteria:

- A demonstrated commitment by the applicant's company to the Turkish market either through exports or investment.
- A demonstrated strong interest by the applicant's company in Turkey and its economic development.
- The ability by the applicant to offer a broad perspective on the business environment in Turkey, including cross-cutting issues that affect the entire business community.
- The ability by the applicant to initiate and be responsible for activities in which the Council will be active.

Members will be selected on the basis of who will best carry out the objectives of the Council as stated in the Terms of Reference establishing the U.S.-Turkey Business Council. In selecting members of the U.S. Section, the

Department of Commerce will also seek to ensure that the Section represents a diversity of business sectors and geographical locations, as well as a cross-section of small, medium, and large-sized firms.

U.S. members will receive no compensation for their participation in Council-related activities. They shall not be considered as special government employees.

Individual private sector members will be responsible for all travel and related expenses associated with their participation in the Council, including attendance at Committee and Section meetings. Only appointed members may participate in official Council meetings; substitutes and alternates may not be designated. Members will normally serve for two-year terms, but may be reappointed.

To apply for membership, please submit the following information as instructed in the ADDRESSES and DATES captions above:

1. Name(s) and title(s) of the applicant(s);
2. Name and address of the headquarters of the applicant's company;
3. Location of incorporation of the applicant's company;
